### General Harrison Says Wait.

Chicago, Feb. 24.—Ex-President Harrison, in his speech before the Union League club, referred briefly to the Cuban question, saying:

"We stand now in the awful shadow of one of the most tragic events that has ever happened in our history, and yet we stand with the poise, the self-possession of a people who understand their might and can abide by the developments of time. We are not a hysterical people. We can wait, and we will know our duty when it shall be revealed. We can understand that, in a time like this, there are grave responsibilities devolving upon the president of the United States, single responsibilities that he may not divide with any man. Let us stand about him, strengthening him, in the calm assurance that this great country desires only what is right, and wait until the facts are known before it issues its proclamation."

A thrill of terror is experienced when a brassy cough of croup sounds through the house at night. But the terror soon changes to relief after One Minute Cough Cure has been administered. Safe and harmless for children. City Drug Store.

### Robbery at Marlow.

Marlow, I. T., Feb. 24.—News has just reached here of the robbery of a man named Dempsey, who lives seven miles east of Marlow.

Two masked men rode up to his house at 10 o'clock Tuesday night, and called him out. He, supposing them to be some men he was expecting on business, went to the gate, when the robbers covered him and demanded his money.

Dempsey protested that he had none at the house but had deposited it all in the bank.

The robbers told him that they had been to the bank and knew that he had not deposited his money. They then placed a rope about his neck and raised him off the ground several times. Dempsey was about to tell them where his money was hidden, but took courage again and refused. The rope was again put around his neck, he was pulled off the ground by one of the robbers while the other forced Mrs. Dempsey to reveal the secret. The robbers secured \$550.

Whooping cough is the most distressful malady; but its duration can be cut short by the use of One Minute Cough Cure, which is also the best known remedy for croup and all known bronchial troubles. City Drug Store.

### Lynching Suspects Arrested.

Tecumseh, Okla., Feb. 24.—Bill Tilghman, Heck Thomas and Ned Sisson, deputy United States marshals, have made the following additional arrests of persons charged with the conspiracy which led to the burning of the two Seminole Indians: J. M. Dickinson, A. J. Vinson, Fred Owens, J. H. Dodson, C. R. Guinn, E. R. Cartmill, David Guinn, P. H. Cooper, I. J. Doherty, E. J. Gardner, James Casselberg, Lincoln Blair, Bert Hughes, Pete Purley and George Maupin.

### Sixty Convictions in Two Weeks.

South McAlester, Feb. 24.—The United States court at Cameron, just closed, resulted in sixty convictions. Thirty-eight go to the penitentiary and twenty-two to jail. There were two convictions for murder. All this occurred in two weeks.

Life is short; one bottle of Dr. Simmons' Cough Syrup may save your life. Fifty cents a bottle. Satisfaction guaranteed or money refunded. Ask your druggist for a sample bottle.

### Buried in an Avalanche.

Tacoma, Wash., Feb. 24.—Two weeks ago an avalanche came thundering down the mountain slopes, and at the south end of lake Bennett an immense mass of snow and ice was deposited on the trail and 200 tons of supplies were buried. Their owners had stacked them up together in what seemed to be a sheltered spot, while they were whipsawing lumber for boat building.

Now they have left the whipsaws and are trying to dig out their outfits. So far as can be learned, no one was injured by the avalanche, though people in tents not far away had a narrow escape.

This news was brought down by a miner just returned here from Alaska.

We are anxious to do a little good in this world and can think of no pleasanter or better way to do it than by recommending One Minute Cough Cure as a preventive of pneumonia, consumption and other serious lung troubles that follow neglected colds. City Drug Store.

### Bryan in Alabama.

Birmingham, Ala., Feb. 24.—John W. Tomlinson, member of the National Bi-metallic committee from Alabama, today received a letter from W. J. Bryan saying he would be south next week and will speak in Birmingham next Wednesday night. He will probably make two other speeches in the state but the time and place for them have not been arranged.

Mr. Bryan's coming is said to be for the purpose of urging renewed activity among Alabama democrats in behalf of silver during the state campaign now opening, and making sure the reaffirmation of the Chicago platform by the state democratic convention in April.

Mrs. M. B. Ford, Russell's Ill., suffered for eight years from dyspepsia and chronic constipation and was finally cured by using Dr. Williams' Little Early Risers, the famous little pills for all stomach and liver troubles. City Drug Store.

### Killed by His Daughter.

Nebraska City, Neb., Feb. 24.—William Kuwitzky, the court house janitor, aged 45 years, was shot and instantly killed early this morning by his daughter. Kuwitzky came home late last night, intoxicated, and attacked his family with a butcher knife, threatening to kill his wife and himself, but was disarmed before any damage was done. His daughter, Mary, 17 years of age, crazed by his threats, entered the room where he was sleeping and blew his head off with a shotgun. She was arrested. A coroner's inquest is in progress.

### Resignation Forwarded.

Guthrie, Ok., Feb. 24.—Judge Crook, registrar of the Guthrie land office, forwarded his resignation to the president yesterday. It is conceded that Judge Crook has made an efficient official and his resignation was sent in in order to get rid of the howl of the pie hunters who want to take his place. It is said that the administration was displeased because the democratic newspapers were getting the patronage of the office. Attorney Boles of this place is the most likely candidate.

When bilious or constive, eat a Cascaret, candy cathartic, cure guaranteed, 10c. 25c.

## PIANOS TO BURN!

Such a fate would be none too good for certain so-called pianos that are sometimes sold, when the purchaser perhaps is too eager for cheapness and the dealer for temporary profit, and descends to selling the cheapest of the cheap. Those worthless boxes of wire, with no music in their souls. How different when one considers those handsome new styles of Bush & Gerts Pianos, and yet not very different in cost to the purchaser. Bush & Gerts Pianos are up to date in style, and have a sweetness and brilliancy of tone that is perfection realized.
